SUMMARY

I've always been passionate about technologies since my early age, and this passion has naturally brought me to where I'm at the moment. Despite the fact that I'm a recent graduate, I've a clear vision on what I'm aiming for in my career. I'm a quick learner and learning is an important part of my life, so I'm always open to exploring more. As for now, I'm looking for great opportunities to help me unlock my potential and to be able to bring values, because this i
